

## 2019 CCAA Scholarship Entry Form

In the days following the Coastal Carolina Aquatic Association Championship Meet, the CCAA Board will award scholarships to all eligible college bound swimmers who have submitted entry forms. The amount of the scholarships awarded will depend on the profits available after the meet.

To be eligible for a scholarship, a swimmer must meet the following criteria:

- a) **currently** resides in the tri-county area
- b) must be a graduating senior **currently** swimming in the CCAA
- c) has swum a **minimum of two years** in the CCAA.

The CCAA Board will screen any eligibility exceptions. There is no limit to the number of swimmers that may be entered by a team or to the number of eligible swimmers from any one team that will be awarded a scholarship.

The scholarship check will be mailed to the parents of the swimmer/student at the address provided, and will be made out to the **student**, for ease of deposit, with notation in the memo reflecting the name of the university/college. No replacement checks will be written. We mail to the parents so that the check's arrival is noted and the use is directed by the parents. It is a scholarship, not a gift, and should be treated as such. If the student ultimately does not enroll in college, then the check should be returned to the CCAA.
