Teams will warm up in their assigned lanes for the first 20 minutes of the warm-up period. For the final 10 minutes of the warm-up period, all 10 lanes of Competition Pool A will be available for swimmers from those teams to practice starts, turns, and finishes.

The open lanes in the second warm-up period for each session may be used by swimmers from the first warm-up period who arrived late.

Swimmers may only dive off of the starting blocks during warm-ups if all swimmers in the lane are swimming in the same direction. If swimmers in a lane are swimming in both directions, other swimmers in that lane must enter the pool feet first.
